Internal Complex Hire Building

An Ideal Fully Transportable Building to Cater for a Large Scale Temporary Project Office to Accommodate On Site Management & Production Team

Buildings, as offered, can be made larger or alternatively be reduced in total sq/m 's.

Buildings can be transported and installed on site within a quick lead time period.

Additional amenity buildings are also available to cater for onsite workforce requirements.

Independent Portable Buildings commitment in providing the very best in customer service is second to none. Our goal is to ensure each purchase is a seamless and simple process, with one point of contact that can handle all client requirements from the initial enquiry to manufacturing through to installation. We pride ourselves in being able to add value and build long lasting relationships
